

SPINPHONY TESTIMONIALS

WOW! What a wonderful evening the attendees of the AAA/CAA Eastern Conference enjoyed all due to SPINPHONY.

Spinphony was refreshing and engaging and played to our group which responded with great enthusiasm. Everyone enjoyed your great song selections with such incredible variety...from classics to rock to popular standards...all woven together seamlessly. We've been putting on this conference for 17 years and know that most guests depart after dessert but not this year! Spinphony had them wanting more and more!
Jack Byrnes, Ceo AAA/CAA

We had the great pleasure of having Spinphony perform at two of our major events over the past year and both times they were SPECTACULAR! Our attendees were blown away by their HIGH ENERGY PERFORMANCES and distinctive spin on different genres of music, blending classical hits with pop and rock. These AMAZING and uniquely talented virtuosic string players, along with their DJ, embody a refreshing sound that is nothing like anything you have experienced before. We received so many compliments and inquiries from our group praising Spinphony and wanting to know who they were. I would highly recommend them for your next event! You won't be disappointed!

Spinphony is mesmerizing and was the highlight of our awards dinner! The blend of modern and classical music with a dynamic show meant that not a person left the room and it appealed to our entire group. I received compliment after compliment about this year's event being one of the best ever. The only down side of working with Spinphony is you won't know how to top them for your next event.

Nicole Brusewitz, Mountain West Credit Union

Spinphony was absolutely amazing! We had seen them perform at other events and knew they were the answer to raising the bar at our annual fundraiser. Brett and the other Spinphony ladies were very easy to work with and affordable for us as a nonprofit. At the event itself, they were quite literally the highlight of the night. We have been throwing events for 15 years in Denver and have never had as many compliments about one component as we did for having Spinphony perform this year. They knocked it out of the park and we look forward to incorporating them into as many events as possible.

I just wanted to send you a note... I know it seems like weeks ago.. but it was 1 week ago today that you and your delightful comrades rocked the stage at our IMPACT opening morning. I just wanted to tell you what an amazing job you all did, and that afterwards I got MANY MANY requests to know who you were, and major kudos for having such a hip and talented group perform that morning.

So I owe that praise to you! THANKS AGAIN.. . You guys were all BRILLIANTLY talented. I hope that our paths cross again! Amelia Harding,
